**\*DF07 Restricted Product Derogation**

**\*Reason for use:**

Application for approval to use a restricted product.

**\*Conditions:**

- Derogation approval must be gained from QWFC prior to applying a restricted product to your land or crops or adding restricted products to the diet of your livestock;
- In some instances the derogation will be forwarded to DEFRA for their decision;
- For mineral fertiliser products please supply a recent soil or tissue analysis for each field or if advice on fertiliser application has been sought, a copy of the FACTS registered advisors recommendation sheet;
- For pesticides please supply a copy of the BASIS qualified agronomists recommendation sheet;
- If the derogation request is for the inclusion of synthetic vitamins A, D or E to be included in the diet of your livestock you must supply with the request the relevant section of the Animal Health Plan and a letter from the farm vet advising on the use of these vitamins;

**QWFC may request further information before a decision can be made.**
